This image shows a single sheet of cream-colored paper with very faint, light blue or grey horizontal ruling lines. The paper appears slightly aged or off-white. There are some minor dark spots and smudges scattered across the surface, particularly towards the bottom right. The overall texture looks smooth but with slight variations in tone typical of old paper.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some faint smudges and discoloration, characteristic of old paper. The left edge of the page shows the binding structure, including stitching or stitching holes. There is no text or other markings on the page.
